

Curriculum Council exhibition and award winners 2009

Government of Western Australia
Curriculum Council

Beazley Medal: TEE

The Beazley Medal: TEE is awarded to the student obtaining the highest score in the determination of the general exhibitions.

The winner of the 2009 Beazley Medal: TEE is

HAYLEY LOUISE ANDERSON

CHURCHLANDS SENIOR HIGH SCHOOL

STUDENT ACHIEVEMENT

The Curriculum Council congratulates the Beazley Medallist: TEE and the Beazley Medallist: VET for their outstanding individual achievements.

The Curriculum Council also congratulates the winners of the general exhibitions for their outstanding achievement in WACE courses and tertiary entrance rank subjects, and the students who achieved course/subject exhibitions, certificates of distinction, certificates of excellence, special course/subject awards and special certificates of distinction in the full range of courses and subjects.

SCHOOL COMPARISONS

The Curriculum Council recognises the contribution which schools and teachers make to student performance. At the same time, the Curriculum Council is convinced that comparing the numbers of high achieving students is not a legitimate basis for judging schools.

This is because:

- the number of students taking WACE courses and/or TEE subjects varies from school to school.
 - many socio-economic factors are associated with the level of student examination performance.
 - students vary greatly in their career ambitions and application to study.
 - academic achievement does not cover all aspects of the work of schools.
- The representatives of government, Catholic and independent schools, the WA Department of Education, universities and the community, who constitute the Curriculum Council, are adamant that comparing schools solely on the basis of examination results is misleading and invalid.
- **BILL LOUDEN, CHAIRPERSON, CURRICULUM COUNCIL**

Beazley Medal: VET

The Beazley Medal: VET is awarded to the student who has demonstrated the best results in a vocational program.

The winner of the 2009 Beazley Medal: VET is

ANDREW JOHN REYNOLDS

WA COLLEGE OF AGRICULTURE – CUNDERDIN

Replacement statements of results will be issued later to those students who have received other Curriculum Council awards. The Beazley Medal: TEE, Beazley Medal: VET, general exhibition, course/subject exhibition, special course/subject award, certificate of distinction, special certificate of distinction and certificate of excellence winners will receive their awards at a ceremony at Curtin University of Technology on Wednesday, 10 February 2010 at 6.30pm.

**BILL LOUDEN,
CHAIRPERSON
CURRICULUM COUNCIL**

**DAVID WOOD,
CHIEF EXECUTIVE OFFICER
CURRICULUM COUNCIL**

GENERAL EXHIBITIONS:

General exhibitions are awarded to the 40 eligible students with the highest Curriculum Council award scores based on the average scaled marks of five tertiary entrance rank courses and/or subjects, with at least two from each of the humanities/social sciences list and the mathematics/science list.

GENERAL EXHIBITION (Aboriginal and Torres Strait Islander):

General Exhibition (ATSI) is awarded to the top eligible Aboriginal and Torres Strait Islander student based on the average scaled marks of five tertiary entrance subjects/or courses.

GENERAL EXHIBITION (English as a Second Language/English as a Second Dialect):

General Exhibition (ESL/ELD) is awarded to the top eligible student with an ESL/ELD background based on the average scaled marks of five WACE courses and/or tertiary entrance subjects.

COURSE/SUBJECT EXHIBITIONS:

A course/subject exhibition may be awarded to the eligible student obtaining the highest raw examination mark in a WACE course or tertiary entrance subject. A

subject exhibition may also be awarded to the eligible student who is the top student in each subject for the award of certificate of distinction for wholly school assessed subjects or a course exhibition may awarded to the eligible student who is the top student in a WACE course and did not sit the examination in that course.

SPECIAL COURSE/SUBJECT AWARDS:

A special course/subject award may be awarded to a student not eligible for the award of a course/subject exhibition because the general criteria for eligibility have not been satisfied, but who has otherwise satisfied all the other requirements for the award of a course/subject exhibition.

CERTIFICATES OF DISTINCTION:

Certificates of distinction are awarded to eligible students who are in the top 0.5 per cent of candidates sitting the examination or the top two candidates (whichever is greater) in a WACE course or tertiary entrance subject. This is based on the combined mark (being an equally weighted combination of school assessment and examination mark). Certificates of distinction may also be awarded to eligible students who are in the top 0.5 per cent of students in Year 12

wholly school assessed subjects with an enrolment greater than 100 students. Nominations are submitted by schools and selection is by a panel appointed by the Curriculum Council.

SPECIAL CERTIFICATES OF DISTINCTION:

A special certificate of distinction is awarded to a student not eligible for the award of a certificate of distinction because the general criteria for eligibility have not been satisfied, but who has otherwise satisfied all the requirements for the award of a certificate of distinction. It will be awarded only to candidates within the top 0.5 per cent of those sitting the examination or students in the top 0.5 per cent of students enrolled in wholly school assessed subjects.

CERTIFICATES OF EXCELLENCE:

A certificate of excellence is awarded to each eligible student who, in her/his last three consecutive years of senior secondary education in Western Australia, obtains at least 10 grades of 'A' in year-long (or equivalent) Curriculum Council subjects and/or courses or VET units of competence.
