

Externally set task (EST) General (G) and Foundation (F) course specific advice

Note: To complete the EST students should have with them the items they typically use for school-based assessments e.g. pens, pencils, ruler. For scanning purposes students are requested to use only blue or black pen, not a pencil.

At the time of administering the EST teachers must ensure students have their SCSA student number as this number must be written on the front cover.

Course	Specific advice for the administration of the EST
Aboriginal and Intercultural Studies	
Aboriginal Languages of Western Australia	
Accounting and Finance	A calculator of the type used in school-based assessments for this course
Ancient History	A source analysis for all electives with questions that are very similar to those used in the 2016 EST
Animal Production Systems	A calculator of the type used in school-based assessments for this course
Applied Information Technology – G	
Applied Information Technology – F	
Automotive Engineering and Technology	
Aviation	Flight computer A calculator of the type used in school-based assessments for this course
Biology	A calculator of the type used in school-based assessments for this course
Building and Construction	A calculator of the type used in school-based assessments for this course
