

## STUDENT ACHIEVEMENT

### Beazley Medal: WACE

The Beazley Medal: WACE is awarded to the student obtaining the highest score in the determination of the general exhibitions.

The winner of the 2011 Beazley Medal: WACE is

**CALUM JEROME FELIX BRAHAM**  
TRINITY COLLEGE

The Curriculum Council congratulates the Beazley Medallist: WACE and the Beazley Medallist: VET for their outstanding individual achievements.

The Curriculum Council also congratulates the winners of the general exhibitions for their outstanding achievement in WACE courses and the students who achieved course, VET or Workplace Learning exhibitions, certificates of distinction, special certificates of distinction and certificates of excellence.

#### SCHOOL COMPARISONS

The Curriculum Council recognises the contribution which schools and teachers make to student performance. At the same time, the Curriculum Council is convinced that comparing the numbers of high achieving students is not a legitimate basis for judging schools.

This is because:

- the number of students taking WACE courses varies from school to school.
- many socio-economic factors are associated with the level of student examination performance.
- students vary greatly in their career ambitions and application to study.
- academic achievement does not cover all aspects of the work of schools.

The representatives of government, Catholic and independent schools, universities and the community, who constitute the Curriculum Council, are adamant that comparing schools solely on the basis of examination results is misleading.

**– EMERITUS PROFESSOR PATRICK GARNETT**  
CHAIR, CURRICULUM COUNCIL

### Beazley Medal: VET

The Beazley Medal: VET is awarded to the student who has demonstrated the best results in a vocational program.

The winner of the 2011 Beazley Medal: VET is

**NICOLE ANN KERR**  
WOODVALE SECONDARY  
COLLEGE
