## Post-Secondary Pathways Primary Industries

**The Primary Industries** in Australia are vitally important to our economy and cover sectors such as agriculture, horticulture, fisheries and forestry. There are many training pathways available from a Primary Industries VET industry specific course which lead to a range of exciting career options.

This document is a snapshot of pathway options if you are interested in a career in the Primary Industries.

Note: Certificate I qualifications are not included in the pathways because the outcomes are deemed to be pre-vocational.
