## Dance ATAR course practical (performance) examination

This document provides general advice to teachers, candidates and parents about the Dance ATAR course practical (performance) examination.

Where a Year 12 ATAR course has both a written and a practical examination, students are required to sit for both of these examinations. Students who do not sit an ATAR course examination and do not have an approved sickness/misadventure application for that course will not have the grades for the pair of units completed in that year contribute to the calculation of the Western Australian Certificate of Education (WACE).

The practical (performance) examination for the Dance ATAR course will be held during the period from **Saturday, 21 September** to **Sunday, 29 September 2024** (weekends and the public holiday included) at a metropolitan location and, if required, major country locations. Candidates must be available to complete their practical (performance) examination during this time. A *Personalised practical (performance) examination timetable* (Appendix 1) for each candidate will be made available from **Tuesday, 3 September 2024**. Examination timetables can be downloaded by schools/providers via SIRS and by students from the School Curriculum and Standards Authority (the Authority) [student portal \(https://studentportal.scsa.wa.edu.au/\)](https://studentportal.scsa.wa.edu.au/). Country candidates must sit their practical (performance) examination at the Authority's designated examination centre.

For the Dance ATAR course examination, the weightings are:

- Written examination 50%
- Practical (performance) examination 50%

### 1. Reporting achievement

Teachers are responsible for ensuring the practical (performance) examination requirements are met and making sure candidates are adequately prepared. Teachers must ensure they are using the current syllabus. Any further advice on matters related to the syllabus or assessment will be published in the [11to12 Circulars \(https://www.scsa.wa.edu.au/publications/circular-ecircular/11to12-circulars\)](https://www.scsa.wa.edu.au/publications/circular-ecircular/11to12-circulars) on the Authority website.

Teachers should also refer to the ATAR course examination information published in Section 6 of the [WACE Manual \(http://www.scsa.wa.edu.au/publications/wace-manual\)](http://www.scsa.wa.edu.au/publications/wace-manual) on the Authority website.

For all ATAR courses with a practical examination, for the pair of units, schools are required to submit to the Authority a:

- school mark out of 100 (weighted for each component)
- school mark out of 100 for the written component
- school mark out of 100 for the practical component
- grade for the completed pair of units.

## 2. Candidates with an injury, illness or disability

Candidates who have a permanent disability or condition that could prevent them demonstrating their knowledge, understanding or skills under standard examination conditions may apply to be assessed with equitable access adjustments.

Application is made through the school on the form available from the [Application and Order Forms page \(https://www.scsa.wa.edu.au/forms/forms\)](https://www.scsa.wa.edu.au/forms/forms) on the Authority website. Adjustments requested for the written examinations do not apply to the practical examinations. Requests for adjustments in the practical examinations must be stated separately in the application, and relate directly to the nature and duration of the practical examination. Applications should be received by the Authority by **Thursday, 21 March 2024**.

Candidates with a long-term injury or illness (i.e. injuries or illnesses existing at the start of Term 3) must have their school apply for them to be examined in an alternative format if the injury or illness will affect their participation in the standard practical examination. Applications can be accepted by the Authority until **4.00 pm Wednesday, 24 July 2024**.

It is important to note that:

- sickness or misadventure provisions do not apply where the illness or injury is long-term and will therefore not be granted in these instances
- failure to comply with the equitable access adjustments may jeopardise completion of the practical examination requirements of the course.

Upon the approval of an alternative format practical examination, the candidate must undertake the approved alternative examination and is not permitted to revert to participating in the standard practical performance examination.

The alternative format practical examination in Dance will involve choreography of an original solo which is taught to another dancer. The performance is to be recorded and brought to the examination on a USB drive.

## 3. Provisions for sickness or misadventure

Consideration may be given to candidates (with the exception of non-school candidates) suffering from a temporary sickness or misadventure close to or during the examinations. The candidate may submit a *Sickness/Misadventure Application* if they believe their performance in an examination has been affected by the sickness or misadventure.

If a candidate misses or is not able to complete an examination session for health reasons, it is important that medical evidence be provided to verify the nature and severity of the illness/injury. In most cases, that will mean producing evidence from a medical professional who was consulted on the day of the examination or the day before.

Applications will be considered only if made on the correct form, available from the [Application and Order Forms page \(https://www.scsa.wa.edu.au/forms/forms\)](https://www.scsa.wa.edu.au/forms/forms) on the Authority website from September. Applications that relate to the practical component must be submitted immediately following the practical examination.

Only one form should be used to cover all practical examinations for which the application is being made. The completed form and all supporting evidence must be received by the Authority by **4.00 pm Thursday, 24 October 2024**.

#### 4. Principles of external assessment

The marking process preserves the anonymity of the candidate and their school. This requires that candidates and their work are identified only by their Western Australian student number (WASN).

The authenticity of the candidate's work for Performance 1 in the practical (performance) examination must be guaranteed. It is essential that:

- the main development of all work takes place in school time
- work completed away from school is regularly monitored by the teacher
- each candidate completes and signs a *Declaration of authenticity* (Appendix 2), a legal document witnessed by the supervising teacher and the school Principal to endorse the originality/authenticity of Performance 1
- a copy of the signed *Declaration of authenticity* is kept by the teacher on record at the school
- no other person is to work directly on any part of the candidate's submission
- the work is not submitted by the candidate for external assessment in any other ATAR course.

Teachers should monitor the student's work from the beginning to ensure that there is no plagiarism in the work that is to be submitted or performed for marking. If the teacher has been unsuccessful in working with the student to avoid plagiarism while monitoring the process of work, then the teacher **must** sign the *Declaration of authenticity* and attach a note to this effect to the declaration at submission time.

Non-school candidates are to complete the *Declaration of authenticity* in the presence of an authorised witness. A list of authorised witnesses can be found on the [Authorised Witnesses for Statutory Declarations page \(https://www.wa.gov.au/government/publications/authorised-witnesses-statutory-declarations\)](https://www.wa.gov.au/government/publications/authorised-witnesses-statutory-declarations) on the WA.gov.au website.

Markers apply a consistent standard to assess the candidate's performance. This requires:

- a marking key for the practical (performance) examination
- attendance at a marker training meeting prior to the commencement of marking
- trial marking of work to ensure a common understanding of the marking key
- the practical (performance) examination to be marked independently by at least two markers who then reconcile any differences between them
- the Chief Marker to ensure consistency throughout the marking by monitoring the marking process and reconciling significant differences where necessary.

## 5. Criteria for marking

Examination marks will be awarded in relation to the following criteria:

### Marking criteria for Dance ATAR course practical (performance) examination

#### Performance 1 – Original solo composition

- Choreographic intent
- Organising the dance structure
- Presentation
- Performance qualities
- Safe dance practices and alignment

#### Performance 2 – Set solo

- Execution of technical dance skills
- Body alignment
- Interpretation of choreographic intent
- Musicality
- Presentation
- Performance accuracy

#### Performance 3 – Structured improvisation

- Ideas and movement choices in responding to task
- Confidence and commitment in performance

#### Interview

- Response
- Dance terminology and language

## 6. Venues

All candidates are required to travel to the allocated venue. Venues for the Dance practical (performance) examination will be located in the Perth metropolitan area and, if required, major country locations.

## 7. Country candidates travelling to Perth for examinations

Candidates from schools located less than 100 km from Perth are required to travel to the venue at their own expense.

Candidates from schools located more than 100 km from Perth:

- are not reimbursed for accommodation and/or meal costs
- must be accompanied by a chaperone approved by their school if required to stay overnight
- will be reimbursed for fuel up to \$200 (on production of receipts) where a candidate is close enough to drive (i.e. in the area south of Geraldton, west of Kalgoorlie and north of Albany)  
Note: the *Fuel reimbursement form* can be accessed from the [Applications and Order Forms page \(https://www.scsa.wa.edu.au/forms/forms\)](https://www.scsa.wa.edu.au/forms/forms) on the Authority website. The form must be lodged by **Friday, 15 November 2024**
- will have an airfare (and accommodation if required) arranged and paid for by the Department of Education (the Department) when required to fly to Perth. Note: parents/schools who pay for

airfares will not be reimbursed. When travelling by air, the candidate will be met by an employee from the Department and will have appropriate transport organised by the Authority.

## 8. Examination procedure

On the day of the practical (performance) examination, the candidate **must** bring a signed hard copy of their *Personalised practical (performance) examination timetable* (Appendix 1) to their examination as proof of enrolment, along with a photographic ID for proof of identity. An image of their *Personalised practical (performance) examination timetable* on their mobile phone **will not** be accepted as proof of enrolment.

The candidate must report to a supervisor at the examination venue at the scheduled reporting time, i.e. 40 minutes before the scheduled examination time. Candidates who arrive 35 minutes or more after the scheduled reporting time will not be admitted to the practical (performance) examination and the examination cannot be rescheduled.

The scheduled examination time is the time at which the markers will invite the candidate into the examination room as shown in the candidate's *Personalised practical (performance) examination timetable*.

Candidates are required to give their signed *Declaration of authenticity* to the supervisor upon arrival at the examination venue.

Prior to the scheduled examination time, a supervisor takes the candidate to a warm-up area. There may be more than one candidate being supervised simultaneously in the warm-up area. The candidate's warm-up and focus activities at the examination venue must not interfere with the preparation or examination of others.

Candidates will be escorted by the supervisor to the examination room, where they sit outside until invited in by one of the markers.

Candidates **must not** wear or carry anything that identifies them, any school, club or achievements. Failure to do so will result in a breach of examination rules. The candidate is responsible for their personal belongings at all times.

The candidate must leave the examination venue once they have completed their examination. The candidate must not have contact with candidates waiting to be examined, teachers or other parties who are seeking information about the examination until all the examinations have concluded. Failure to do so may result in a breach of examination rules.

The candidate must bring the following items to the practical (performance) examination:

- a signed hardcopy of their *Personalised practical (performance) examination timetable* (Appendix 1)
- a signed *Declaration of authenticity* (Appendix 2)
- two copies of the *Statement of choreographic intent* (Appendix 3)
- music recording for Performance 1 on an MP3 player, laptop, mobile phone (in flight mode) or a USB drive (back-up) and speakers. The candidate must ensure there is a **10-second** period of silence recorded before their music commences, to allow time for the candidate to walk to the *start* position in the performance space. Candidates are to press play on their own device.
- backup copy of music recording (preferably on a USB drive) for Performance 1

- props – if they are an integral part of Performance 1 (e.g. hat, cane, scarf, chair)
- a water bottle, towel and photographic ID.

## 9. Statement of choreographic intent

The purpose of the *Statement of choreographic intent* is to outline the intention of the Original solo composition. The statement is to be **no more than 80 words** and must be written or typed on the Authority's official form.

The candidate is to provide succinct information in the statement, which may include artistic choices and key decisions made about the dance that will be performed. The candidate may include some diagrammatic information, but it is not necessary to describe the use of the spatial organisation or the movement vocabulary used. This statement is **not** assessed; however, the information presented in the statement is critical to how the Original solo composition is viewed by the markers.

The candidate must hand **two** copies of the *Statement of choreographic intent* to the markers upon entering the examination room. The *Statement of choreographic intent* must not display any identifying names and is to be removed from any plastic folders before entering the examination room.

## 10. Attire

Candidates must wear appropriate dance attire to allow markers to see the full use of the body, be barefoot where appropriate (dancers foot thongs/footundeez® are permitted in the examination) and have their hair tied back. No costumes are to be worn.

Current fashion, street clothes, jewellery and inappropriate shoes, unless specifically part of the dance genre performed in Performance 1, often inhibit a candidate's capacity to complete the examination requirements and are to be avoided.

## 11. Equipment

The following items will be provided in the examination room for the candidate to use, if required:

- a sound system with an AUX cable for candidates to attach their mobile phone (in flight mode), MP3 player and/or laptop
- power supply for candidates to set up their own sound equipment
- music recording for Performance 2 – the Set solo in the contemporary genre
- one chair – to be used in the Interview
- paper and pencil.

The candidate is not permitted to bring any scenery or costumes, or use any projections in the performance. Props that form an integral part of the performance (e.g. hat, cane, scarf, chair) may be brought in; however, the candidate is limited to what they alone can carry and set up in one minute.

## 12. Technical assistance

Candidates can have a technical assistant to operate the sound equipment for Performance 1 only. The dance teacher of a candidate or a person who is a practical examination marker in 2024 **cannot** act as a technical assistant.

The technical assistant:

- must not wear or carry anything that identifies them, any school, club or achievements. If this does occur, the candidate will be referred to the Breach of Examination Rules Committee
- can only communicate with the candidate when conducting a sound check during the 60 seconds preparation time (they cannot prompt, applaud, cheer or comment during the performance)
- can carry and set up the sound equipment only (that is, they may not carry in any props)
- must leave immediately after the completion of Performance 1 and take the sound equipment with them.

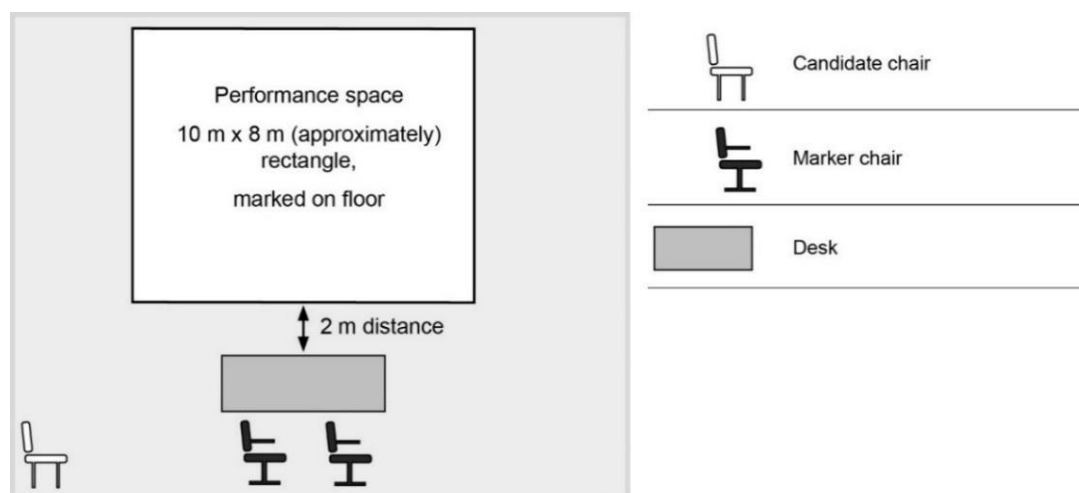

### 13. Layout of the examination room and safe practice

All examination rooms will be set up in a consistent manner in terms of sound equipment and the placement of the markers as shown in the diagram below. Any mirrors will be covered and the floor will be suitable for dance.

It is the candidate's responsibility to ensure that their performance is safe and that the examination space is left clean and clear for the next candidate.

- Candidates must not involve the markers in any confrontational or intimidating practice during the examination.
- Candidates must not access unauthorised personal items during the examination.
- Candidates must not use unsafe props and/or practice (for example, no naked flames, breaking/broken glass, guns, knives or other weapons, including replica weapons).
- Candidates must not use liquids in the performance area.
- Candidates are asked to carefully consider the props they use. Where there are reasonable grounds for the markers to feel that these safety guidelines have been breached, they will instruct the candidate to stop the performance and the breach will be reported to the Chief Marker. The candidate can be removed from the marking process at the discretion of the Chief Marker. If candidates are unsure about the suitability of props, they must check with the markers on entering the examination room.
- Candidates must ensure all mobile phones they bring into the examination are in flight mode.

#### Examination room layout

Note:

- candidates are required to work within the marked performance space
- a small table with a sound system for the candidates to use for Performance 1 will also be available in the room.

## 14. Structure of the examination

Examination	Time
<b>Performance 1 – Original solo composition</b> 35% of the practical (performance) examination	Preparation: 60 seconds Performance duration: 1.5–3 minutes
<b>Performance 2 – Set solo</b> 35% of the practical (performance) examination	Preparation: 90 seconds Performance duration: 2–4 minutes
<b>Performance 3 – Structured improvisation</b> 20% of the practical (performance) examination	Preparation: 7 minutes Performance duration: 30 seconds–2 minutes
<b>Interview</b> 10% of the practical (performance) examination	Up to 4 minutes

The candidate is allowed 60 seconds from entering the room to the commencement of Performance 1 (Original solo composition). This preparation time can include familiarisation with the space. The markers will inform the candidate of the time limit as they enter the room and will ask the candidate to declare any props. The candidate sets up their own device and tests that it works.

- **Performance 1: Original solo composition:** if the candidate's performance is still in progress after 3 minutes it will be stopped.

**Transition between Performance 1 and 2:** the candidate is allowed up to 90 seconds to prepare for Performance 2. This preparation time can include familiarisation with the space.

- **Performance 2: Set solo:** the candidate will perform the set solo, which is in the contemporary genre.

**Transition between Performance 2 and 3:** the markers will provide a task for Performance 3: Structured improvisation. The candidate will have 7 minutes to prepare a structured improvisation, which is based on Performance 1 and/or Performance 2. During this time, the candidate will be provided with paper and pencils to use for planning, if required. Planning **must** take place in the marked performance space. Planning notes will be collected from the candidate, but will not be included in the marking process.

- **Performance 3: Structured improvisation:** if the candidate's performance is still in progress after 2 minutes it will be stopped.

**Transition between Performance 3 and Interview:** the candidate will then be invited to bring a chair to the line at the front of the performance square and sit in preparation for their Interview.

- **Interview:** the candidate will be asked up to three questions.

## 15. Breach of examination rules

An alleged breach of examination rules will be referred to the Breach of Examination Rules Committee. Further information related to examination breaches can be found on the [Rules of conduct for Year 12 ATAR course examinations page \(https://senior-secondary.scsa.wa.edu.au/assessment/examinations/rules-of-conduct-for-atar-course-examinations\)](https://senior-secondary.scsa.wa.edu.au/assessment/examinations/rules-of-conduct-for-atar-course-examinations) on the Authority website and in Part II of the *Year 12 Information Handbook*, published in July.

A breach of one of these rules can result in cancellation of part or all of the practical raw examination mark.

## 16. Key dates
