Composition portfolio

Schools are required to deliver Practical (composition portfolio) examination submissions to the School Curriculum and Standards Authority by **4 pm on Tuesday, 19 September 2023**.

Materials required for the composition portfolio

The candidate must ensure that:

- all written documentation is presented in both electronic and hard copy forms, an additional clearly marked electronic back up copy may be provided
- all work is carefully and securely packaged and labelled with their WA student number
- support documents or equipment submitted do not contain the candidate's name or names of persons associated with the candidate's school or family
- visual recordings of performances do not contain identifiable school uniforms or other items of clothing or equipment that may be identified with a school
- the composition portfolio does not contain any teacher comments or markings.

To be submitted by the school on behalf of the candidate

A composition portfolio, comprising:

- minimum of two compositions with a total combined time of 7–10 minutes
- minimum of one composition for an ensemble of four or more instruments/parts/voices and a maximum of one composition for a solo instrument
- *Composition portfolio submission form*
- scores and recordings of all compositions
- the composition portfolio is clearly labelled as: *Music Composition Portfolio*.
- a completed *Declaration of authenticity* is returned to the Authority in the folder provided (**not** attached to or included in the individual candidate's portfolio)
