

School checklist for online WACE language applications

Use this checklist to prepare students and school staff for the online WACE language enrolment application process in the Student Records Management System (the SRMS).

1

Logging in to the student portal

Students complete their WACE language course enrolment application by logging in to the [student portal \(https://studentportal.scsa.wa.edu.au\)](https://studentportal.scsa.wa.edu.au).

The School Curriculum and Standards Authority (the Authority) has added all students in Years 10, 11 and 12 so that they can complete their online application.

2

Student submission

Use the student checklist to prepare students for the submission of their online application. Encourage students to save their supporting documents to their computer or mobile device before they start.

Students can complete their online application either at home or at school. The Authority recommends that students complete their applications as a group in the classroom, or computer lab, so that their language teacher can help them and answer any questions.

3

School support officer documentation

The school support officer will upload the three school documents for each student's online application in the [SRMS portal \(https://srms.scsa.wa.edu.au\)](https://srms.scsa.wa.edu.au).

To speed up the document upload step, the school support officer should prepare the **school enrolment form**, **Year 10 Semester 1 school report** and the **Ministerial Council on Education, Employment, Training and Youth Affairs (MCEETYA) data collection form** for each student in desktop folders. Photograph or scan the documents and save them as **.pdf**, **.jpg**, **.jpeg** or **.png** files (**maximum size of 4MB for each file**). **Word** documents will **not** be accepted.

4

Teacher and school endorsement

The student's language teacher will endorse each student's application in the [SRMS portal \(https://srms.scsa.wa.edu.au\)](https://srms.scsa.wa.edu.au).

When the teacher has endorsed a student's application, a representative of the school (principal or deputy principal) must endorse each application on behalf of the school.

When Steps 2–4 have been completed, the application will proceed to the Authority for processing.

5

Authority determination

The Authority will process the online applications and determine a student's WACE language course enrolment status. Students will see this determination in the student portal and it will be reflected in the Student Information Records System (SIRS).
