

## Externally set task (EST) General (G) and Foundation (F) course specific advice

Note: To complete the EST students should have with them the items they typically use for school-based assessments e.g. pens, pencils, ruler. For scanning purposes students are requested to use only blue or black pen and preferably not pencil.

At the time of administering the EST teachers must ensure students have their WA student number as this number must be written on the front cover.
