

ATAR course examination, 2024

MUSIC

Practical examination: Option 2 (composition portfolio)

Composition portfolio

Schools are required to deliver Practical (composition portfolio) examination submissions to the School Curriculum and Standards Authority by **4 pm on Tuesday, 17 September 2024**.

Materials required for the composition portfolio

The candidate must ensure that:

- all written documentation is presented in both electronic and hard copy forms, an additional clearly marked electronic back up copy may be provided
- all work is carefully and securely packaged and labelled with their WA student number
- support documents or equipment submitted do not contain the candidate's name or names of persons associated with the candidate's school or family
- visual recordings of compositions do not contain identifiable school uniforms or other items of clothing or equipment that may be identified with a school
- the composition portfolio does not contain any teacher comments or markings.

To be submitted by the school on behalf of the candidate

A clearly labelled music composition portfolio, comprising:

- a minimum of three compositions with a total combined time of 15–20 minutes
- a minimum of two compositions for an ensemble of four or more voices and a maximum of one composition for a solo instrument, instruments/parts/voices
- a completed *Composition portfolio submission form*
- printed scores for the entire portfolio
- audio and/or visual recordings of compositions
- a completed *Declaration of authenticity* is returned to the Authority in the folder provided (**not** attached to or included in the individual candidate's portfolio).

Structure of the examination

The Music ATAR course examination consists of a written component and a practical (performance and/or composition portfolio) component.
