Instructions to candidate

An artist statement is a concise explanation of the submitted resolved artwork.

As a candidate of this examination, you should include the following in your statement:

- a reflection on significant stages of the art-making process
- key decisions you made and the acknowledgement of contextual and other influences on your artwork
- a reflection on the purpose, intent and meaning of your artwork, and how this relates to your personal point of view
- a statement describing how the frame is integral to the reading of the work and how it contributes to the meaning and communication of ideas (if the work is framed).

In the space provided below, submit **one** *Artist statement* of 300 words or less for the entire submission, even if there is more than one resolved artwork in the submission. The statement must be typed using 11-point Arial font.
