Selected Unit 3 syllabus content for the Externally set task 2018

This document is an extract from the *Indonesian: Second Language General Course Year 12 syllabus*, featuring all of the content for Unit 3. The content that has been highlighted in the document is the content on which the Externally set task (EST) for 2017 will be based.

All students enrolled in the course are required to complete an EST. The EST is an assessment task which is set by the Authority and distributed to schools for administering to students. The EST will be administered in schools during Term 2, 2017 under standard test conditions. The EST will take 50 minutes.

The EST will be marked by teachers in each school using a marking key provided by the Authority. The EST is included in the assessment table in the syllabus as a separate assessment type with a weighting of 15% for the pair of units.

Learning contexts	Topics
The individual Students explore aspects of their personal world, aspirations, values, opinions, ideas, and relationships with others. They also study topics from the perspectives of other people.	Being teen, what does it mean? Students reflect on what they do in their daily life and express their identity and what it means to be a teenager. They discuss moving into adulthood, coping with pressures, socialising and developing relationships.
The Indonesian-speaking communities Students explore topics from the perspectives of individuals and groups within those communities, or the communities as a whole, and develop an understanding of how culture and identity are expressed through language.	Indonesian communities Students explore the influence of culture on lifestyle in Indonesia through a study of music, film, and national and religious celebrations.
The changing world Students explore information and communication technologies and the effects of change and current issues in the global community.	Staying connected Students consider communication in a changing world and its influence on culture and language.
