The Authority will review the documents and provide a report for each course to the school. The report will outline actions the school needs to take, if required, to ensure the documents comply with the 2022 Western Australian Certificate of Education (WACE) requirements.

## Process

The 2022 SDA uploading and reporting processes are the same as for 2021.

Schools are advised that:

- the process will be conducted through the Student Information Records System 2 (SIRS2). The URL for the SDA 2022 page is <https://sirs2.scsa.wa.edu.au> Note: the page is **not** accessible through the current SIRS portal
- the upload of the required documents can only be completed between **9.00 am Monday, 17 January 2022 and 4.00 pm Friday, 18 February 2022**. Schools will not be able to upload documents after this date.

While the Authority provides sample course and assessment outlines for guidance, it is the expectation of the Authority that teachers will develop documents customised to reflect their school's context and the needs of the student cohort.

Principals are requested to ensure that:

- staff responsible for the uploading of documents follow the procedure outlined in the attached *Syllabus delivery audit 2022 School coordinator handbook*
- all teachers of the selected courses, are provided with a copy of the attached *Syllabus delivery audit 2022 Teacher and Head of Learning Area (HoLA) handbook*.
