# Where can your VET qualification take you?

Post-Secondary  
Pathways  
Primary  
Industries

The Primary Industries in Australia are vitally important to our economy and cover sectors such as agriculture, horticulture, fisheries and forestry. There are many training pathways available from a Primary Industries VET industry specific course which lead to a range of exciting career options.

This document is a snapshot of pathway options if you are interested in a career in the Primary Industries.

Note: Certificate I qualifications are not included in the pathways because the outcomes are deemed to be pre-vocational.

# AQF Levels
