

### STUDENT ACHIEVEMENT

#### Beazley Medal: WACE

The Beazley Medal: WACE is awarded to the student attaining the highest score in the determination of the general exhibitions.

The winner of the 2017 Beazley Medal: WACE is

**ISABEL ROSE LONGBOTTOM**  
**ROSSMOYNE SENIOR HIGH SCHOOL**

#### Beazley Medal: VET

The Beazley Medal: VET is awarded to the student who has demonstrated the best results in a vocational program.

The winner of the 2017 Beazley Medal: VET is

**ANDREEA MARIA IOAN**  
**WILLETTON SENIOR HIGH SCHOOL**

The School Curriculum and Standards Authority congratulates the Beazley Medallist: WACE and the Beazley Medallist: VET for their outstanding individual achievements.

The Authority also congratulates the winners of the General Exhibitions and Special General Awards for their outstanding achievement in ATAR courses and the students who achieved Subject Exhibitions, VET Exhibitions, Special Subject Awards, Certificates of Excellence, Certificates of Distinction and Certificates of Merit.

#### SCHOOL COMPARISONS

The Authority recognises the contribution which schools and teachers make to student performance. At the same time, the Authority is convinced that comparing the numbers of high achieving students is not a legitimate basis for judging schools.

This is because:

- the number of students taking WACE courses varies from school to school
- many socio-economic factors are associated with the level of student examination performance
- students vary greatly in their career ambitions and application to study
- academic achievement does not cover all aspects of the work of schools.

The Authority, together with the public, independent and Catholic school systems/sector, is adamant that comparing schools solely on the basis of examination results is misleading.
