## Online EAL/D eligibility declarations

To enrol in the Year 12 English as an Additional Language or Dialect (EAL/D) Australian Tertiary Admission Rank (ATAR) course, students must submit an online EAL/D eligibility declaration to their school principal or delegate via the [student portal \(https://studentportal.scsa.wa.edu.au\)](https://studentportal.scsa.wa.edu.au).

Refer to the *Student guide for online EAL/D eligibility declarations*.

This user guide is for teachers and principals or deputy principals who will endorse these EAL/D eligibility declarations in the Student Records Management System (SRMS).

## Eligibility to enrol in the Year 12 EAL/D ATAR course

The EAL/D ATAR course is available to students who speak English as an additional language or dialect, and whose use of Standard Australian English (SAE) is restricted or still developing.

The School Curriculum and Standards Authority (the Authority) requires all schools to determine the eligibility of a student for enrolment in the Year 12 EAL/D ATAR course.

The EAL/D ATAR course is designed for students for whom English is not their first or home language.

This includes:

- students who are Aboriginal or Torres Strait Islander, or from Cocos Island or Christmas Island, for whom SAE has been the medium of instruction, but for whom SAE is an additional language/dialect, and whose exposure to SAE is primarily within the school context
- students who are deaf or hard of hearing and communicate using signing, such as Auslan, as their first language
- students who have:
  - not more than seven years of education where English is the main medium of course delivery immediately prior to entering their final year of school, or
  - more than seven years where English is the main medium of course delivery but limited exposure/restricted knowledge of academic English, or
  - varying exposure to English, but who have had disrupted\* schooling in one or more countries, including Australia.

Schools are best placed to identify and confirm the eligibility of students against these subcategories. Factors for consideration in school judgements include:

- refugee or low socio-economic status backgrounds
- poverty
- post-traumatic stress disorder (PTSD) or trauma
- \* disrupted schooling, including:
  - frequent or significant changes to language of instruction
  - long-term or numerous interruptions to schooling
- other experiences that may affect their ability to access English learning area courses other than EAL/D.

## EAL/D ATAR eligibility process

Students who intend to enrol in the Year 12 EAL/D ATAR course must submit to their school principal or delegate via the student portal:

- an EAL/D eligibility declaration
- supporting information (first language, education background)
- relevant evidence (e.g. school reports, school letter, teacher declaration).

Use the checklist on the following page to make sure students have everything they need before they start their online EAL/D eligibility declaration.

Students will need to use a computer, either at home or at school. If they have any questions, they can ask their parent/s or carer/s or teacher to help them. Teachers can ensure that students provide correct information and supporting evidence, reducing the need for amendment.

If students require support to complete their online EAL/D eligibility declaration, it is recommended that they complete the process as a group in the classroom, so teachers can help them.

There are five stages to enrolment in the Year 12 EAL/D ATAR course.

1. Student declaration submitted in the student portal.
2. Teacher verification of information and evidence. Any mistakes by the student can be fixed here.
3. Teacher recommendation.
4. Principal endorsement.
5. Student may be enrolled in the Year 12 EAL/D ATAR course.

### The nominated teacher

- reviews the declaration against the eligibility criteria
- reviews the information and evidence to ensure there are no errors and that the evidence is appropriate
- verifies the declaration
- provides a recommendation to the principal.

### The principal (or delegate)

- reviews the declaration against the eligibility criteria
- reviews the recommendation on endorsement
- endorses the declaration and approves eligibility for enrolment in the Year 12 EAL/D ATAR course.

Information about the EAL/D eligibility process and the submission dates for declarations can be found on the EAL/D page of the [Authority website \(https://senior-secondary.scsa.wa.edu.au/syllabus-and-support-materials/english/english-as-an-additional-language-or-dialect\)](https://senior-secondary.scsa.wa.edu.au/syllabus-and-support-materials/english/english-as-an-additional-language-or-dialect).

Any student who has not had their EAL/D eligibility finalised and endorsed by the Year 12 enrolment deadline, as published in the [Activities Schedule](#) for that year, will not be able to enrol in the Year 12 EAL/D ATAR course for that year.

## Six steps for EAL/D teacher recommendation

The EAL/D teacher will review students' declarations and recommend endorsement in the SRMS. Students should nominate a teacher when they complete their declaration. Teachers must be added to the SRMS by a school administrator and assigned the '**EAL/D endorser – teacher**' role. The teacher may be the classroom teacher, year coordinator or career counsellor. - **understand the criteria** in the policy to make an informed recommendation.

The **Status** column shows the stage of each EAL/D declaration in the EAL/D eligibility process (**New, Submitted, In progress, Info required, Finalised, Cancelled**).

The **Sub status** column shows you the action that has been completed for each EAL/D declaration (**Teacher endorsed, Eligible, Not eligible, Review requested**).

Submitted EAL/D declarations will have a tick and **Submitted** (highlighted below) in the **Status** column. The **Sub status** column will be blank.

The **Requires attention by me** column shows as **Yes** (highlighted below) for any declaration where the student selected your name as their EAL/D teacher, advising you to complete your verification and recommendation.

There may be declarations where the student has selected **My teacher is not listed here**. The **Requires attention by me** column will be blank, but you may still complete your verification and recommendation for these declarations.

Teachers must endorse each student's declaration within three working days of noticing that a declaration requires their attention. This is to ensure that the declaration can be processed in a timely manner before the Year 12 enrolment deadline.

The **Requires attention by me** column will now be blank, to show that you have endorsed your students' EAL/D eligibility declarations.

The **Requires action** total will reduce as you complete your students' EAL/D eligibility declarations.

## Step 6: Check the SRMS portal for students' EAL/D eligibility status

At any time, you can check the **EAL/D Declarations** screen in the SRMS portal to monitor the progress of students' declarations. The **EAL/D Declarations** screen will update when a declaration advances through the EAL/D eligibility approval stages.

Below are terms you will see during the online EAL/D eligibility declaration process that relate to the status and sub status of students' declarations.

| Status               |                                                                                                                                                                             |                                                                                                                                                                         |

Students can check the status of their declarations by logging in to the student portal.

The status of students' declarations will change from **In progress** to either **Eligible** or **Not eligible** in the student portal.

## Five steps for principal endorsement

Principal endorsement of a student's declaration is the final step in the eligibility process. The principal or delegate must be added to the SRMS by a school administrator and given the '**EAL/D endorser – school**' role. An appropriate delegate may be the deputy/vice-principal, dean of curriculum, AUSMAT/WACE/year coordinator (if not acting as the teacher). A classroom teacher or an external coordinator is not an appropriate delegate.

The person given the role of the delegate must:

- have the appropriate authority to make decisions on behalf of the principal
- understand that this declaration is a legal document and that if a student is found to have provided incorrect or misleading information in support of their declaration for eligibility to enrol in EAL/D, the student may be withdrawn from the course or have their result in the course removed from the Authority's records, in accordance with the relevant legislation.

## Step 2: Select students' EAL/D eligibility declarations

Select **EAL/D Declarations** from the **Student Applications** drop-down list (highlighted below).

All submitted EAL/D declarations from your students will be displayed on the screen.

The **Status** column shows the stage of each EAL/D declaration in the EAL/D eligibility process (**New**, **Submitted**, **In progress**, **Info required**, **Finalised**, **Cancelled**).

The **Sub status** column shows you the action that has been completed for each EAL/D declaration (**Teacher endorsed**, **Eligible**, **Not eligible**, **Review requested**).

Submitted EAL/D declarations will have a tick and **Submitted** in the **Status** column and the **Sub status** column will show as **Teacher endorsed** (both highlighted below), to show that the teacher has completed their verification and recommendation.

The **Requires attention by me** column shows as **Yes** (highlighted below), advising you to act.

Principals or deputy principals must endorse each student's declaration within three working days of noticing that a declaration requires their attention. This is to ensure that the declaration can be processed in a timely manner before the Year 12 enrolment deadline.

| OPEN FILTER | Status |             | Sub status       | Requires attention by me ↓ |
|-------------|--------|-------------|------------------|----------------------------|

### Filter students' EAL/D eligibility declarations

Use the filter panel to view declarations at different stages in the EAL/D eligibility process. Tick the **Submitted** check box, then click on the **Search** button (both highlighted below) to show all declarations waiting for teacher or school endorsement. Tick the **New** or **Info required** check boxes, then click on the **Search** button to show declarations that students have started but not submitted or those that have been returned to students for amendment. Click on the **Reset** button (highlighted below) to reset the filters and view all declarations.

Alternatively, you can type in the student's **Given name** and/or **Family name**, or their **WA student number**, then click on the **Search** button (highlighted below) to select that student's declaration.

You can see the number of declarations that require your attention (highlighted below). This number will reduce as you complete the required action.

Select the **Show students registered in previous years** check box, then click on the **Search** button (both highlighted below) to view declarations that students submitted the previous year. This is useful when the Authority changes the portal date to the new academic year.

Use the **Sub status** filter to search for declarations with various sub statuses, including the **Teacher endorsed** sub status.

The image shows two parts of the EAL/D Declarations interface. On the left is the 'EAL/D Declarations' filter panel, and on the right is a 'Sub status' dropdown menu.

Students can check the status of their declarations by logging in to the student portal.

The status of students' declarations will change from **In progress** to either **Eligible** or **Not eligible** in the student portal.

## Review process

If the principal decides that a student is **Ineligible** to enrol in the Year 12 EAL/D ATAR course, this will be published in the student portal (highlighted below).

If the student thinks that they do meet one of the eligibility criteria, they can request a review of their EAL/D eligibility declaration by the Authority.

This must be done before the due date, which is shown on the EAL/D screen in the student portal. The review due date is also published in the [Activities Schedule](#).

Note: students can only request one review.

To request a review, the student should click on the **Request review** button (highlighted below).

To show that they meet the criteria, the student needs to provide additional supporting evidence and further details to support their request for a review. They will repeat Step 3 to upload their supporting evidence.

The student should check their document/s and information that they provide because, after submission, they cannot upload other documents or make any changes.

The student should click on the **Request review** button. If they have not uploaded at least one additional document and provided a comment, the request for a review cannot be submitted.

The Authority will review the student's declaration with the additional supporting evidence and information they have provided.

After the review has been completed, the Authority will notify the school by email. The student can also see the outcome of the review in the student portal. The review eligibility status will be either **Eligible** or **Ineligible** and the student will be able to view a comment explaining the decision.
