Literature prescribed text lists

Updated for use by Year 11 students from 2025 onwards and Year 12 students from 2026 onwards.

The Literature ATAR text lists are prescribed for Year 12 and recommended for Year 11.

Texts are arranged into the three genres: poetry, drama and prose fiction.

Teachers should choose texts from these prescribed lists that allow them to cover the content of the unit and to achieve the learning outcomes.

Students are required to study at least one Australian text (i.e. one novel, or play, or a selection of the work of one poet or a selection of Australian short stories) in each pair of units.

Literature teachers and students must ensure all texts they wish to use as primary references in the ATAR examination appear in the prescribed text lists. There is an examination penalty of 15 per cent of the total available marks for the paper applied for any examination response that uses, as a primary reference, a text that does not appear in the prescribed text lists.
