Instructions to candidates

- The rules for the conduct of the Western Australian external examinations are detailed in the *Year 12 Information Handbook 2020: Part II Examinations*. Sitting this examination implies that you agree to abide by these rules.
- Write your answers to all questions in this Question/Answer booklet.
- The examination is structured as follows:

Section One: At least half of the questions in this section focus on the previewed stimulus material provided to candidates before the examination. The previewed stimulus material consists of a USB containing a performance of *That Place In Between* by Catapult Dance Choreographic Hub (2018) and the *Support document for stimulus material*.

Images from the performance have been provided in the Source booklet.

Section Two: You must answer two questions in this section relating to syllabus content and case studies undertaken as part of the course. You must not use the same dance work as the primary reference in each answer. You can only refer to the stimulus dance work as a secondary reference.
- You must be careful to confine your answers to the specific questions asked and to follow any instructions that are specific to a particular question.
- Supplementary pages for planning/continuing your answers to questions are provided at the end of this Question/Answer booklet. If you use these pages to continue an answer, indicate at the original answer where the answer is continued, i.e. give the page number.
- The Source booklet is not to be handed in with your Question/Answer booklet.
